Rides:

- All Pony Club members MUST ride two tests. You will ride the lower test first and then the higher test. Scores from both tests will be included in final team placings.
- If wishing to qualify for USPC Championships in the Championship Division, the competitor MUST ride a musical freestyle, pas de deux, or quadrille at their chosen level; ride ALL tests at the Training Level or above; and may NOT ride USDF Introductory Tests.
- Pony Club members MAY also ride an individual musical freestyle and/or a pas de deux or quadrille.
- The qualifying criteria for Championships team selection are based on the competitor's two test scores, formal inspection score, turn-back score and all individual horse management penalties. Musical ride scores are not included in these criteria. For the Championships Division a competitor must earn a 60% or higher score on Test 2 of their competition level at the qualifying

rally. Those qualifying for the modified division must earn a 55% or higher on Test 2 of their competition level at the qualifying rally.

- Costumes are optional for all musical rides. However, riders must declare their intent to compete in costume. Leg wraps are allowed for those riding in costume with inspection at the Safety Check. Costumes are allowed for all Musical Rides at Championships.
- Leg wraps are also permitted for non-costumed pas de deux and quadrille freestyles with inspection at the Safety Check.
- Only D-1s may have dressage tests read. Please indicate on entry form if this is required and provide name of reader.
