

# Stall Deposit / Required Paperwork

## All Competitors bringing a mount

After registering online with USPC and VRPC, all competitors (except Quiz), must mail a stall deposit check to the National Office. This check will be destroyed at the end of champs following verification that your stall was properly stripped.

**\$50 stall deposit made out to USPC.**

**Mail to :** Attn: Stabling, Festival 4041 Iron Works Lexington KY 40511

## Eventing Competitors

Must submit additional paperwork which must be received by June 28<sup>th</sup>.

Fortunately, they are willing to accept clear, not blurry, PDF of the paperwork via email. If you do not already have a PDF version of the paperwork below, I recommend downloading the Adobe app on your phone. It allows you to take a picture with your phone and converts it to a PDF. If you choose to mail hardcopies, it must be postmarked by June 28<sup>th</sup> if mailing on the 28<sup>th</sup>, it must be sent overnight mail. I strongly suggest sending registered mail, but do not require a signature.
