

## Championship Shirts

Each year the Region organizes a shirt for Champs in the Region colors of red and Navy with the Region logo on the left chest and the USPC Championships logo on the left shoulder. Competitors are not required to buy a Champs shirt; we just ask that if you don't, please wear a navy shirt for the opening ceremonies so our Region together. Parents are also welcome to buy a shirt if you like.

I know it sounds like a broken record but here comes the 'p-word' —yes, the pandemic has wreaked havoc on the embroidered Team shirt world. It was practically non-existent last year and manufacturers/shippers are now trying to meet the demand with restrictions lifting. So we have put together a 'group' of shirts that will look all navy together with white accents; we hope everyone finds something they like. The shirts are priced 'at cost' **including** a \$10 embroidery fee. We embroider the VRPC logo on left chest and a 2021 USPC Championship logo on the left sleeve.
