THE ANSWERS TO YOUR OTHER QUESTIONS...

ZOOM VIDEO CONFERENCING

Our webinar will be managed by ZOOM so all riders will need to download the free ZOOM app before we begin... then on the day of our webinar everyone will receive an email with a link and instructions to join. Simply click on the link, get comfortable, and prepare to enjoy the webinar (and check your hair... you'll be able to see - and be seen - by everyone in our group!)

GROUP COORDINATOR

Please nominate a contact person from your group who can promote our webinar, create the roster, and communicate with me prior to our session. On the day of our webinar I will email a detailed message to this coordinator (containing our conference code and instructions) so that he/she can copy the message and forward it to all the riders in the group.

WEBINAR TIMES AND DURATION

All webinars last 30 - 45 minutes and you can select any day and time. Please consider giving me three day/time options (1st - 3rd choice) and I'll do my best to give you your first choice!

PAYMENT INFORMATION

I'll send an invoice and link to pay your group fee. Please remember, I don't charge each rider... you collect all fees from all riders and then simply pay me my group flat-fee (as listed above).
